All entries must conform to special rules under each class. FFA members making exhibits in tobacco, bees and honey, field seed and grain, or other divisions of the Fair must meet the same eligibility requirements as those exhibiting in the FFA Division.
  2. An individual may participate in the same 4-H or FFA CDE provided the contest is not being conducted on the same day or in connection with the same event (i.e.: State Fair or similar event.) **This rule is the policy of 4-H and FFA.**
  3. All FFA entries (except livestock) will be registered electronically by the August 4th deadline. Instructions and web address for entries will be provided by the State FFA office. Passwords will be provided for all active FFA chapters to access registration.
  4. Entries are to be made in the name of the FFA member who completed the work or project. **A SOCIAL SECURITY NUMBER OR TAX ID NUMBER IS REQUIRED FOR EACH EXHIBITOR. NO CHECKS CAN OR WILL BE MAILED TO THE SCHOOL.**
  5. FFA exhibits in the FFA Department (other than livestock) will not be required to pay an entry fee. This is also true for FFA entries in the Tobacco Department.
  6. Neither the State Fair nor the FFA Department will be responsible for any loss or damage to the exhibit or injury to the exhibitor or to the spectators; however, the utmost care will be used to prevent loss or injury.
  7. FFA exhibits in the West Hall will be accepted Tuesday, August 14 and Wednesday, August 15 and must be in place by 2:00 p.m., August 15. Exhibits will be released from 6:00 p.m. - 9:00 p.m., Sunday, August 26 or 9:00 a.m. - 12:00 noon, Monday, August 27. FFA is not responsible for exhibits left later than 12:00 noon, Monday August 27.
  8. Teachers of agriculture will be expected to accompany FFA members with exhibits, to assist in penning their livestock, and to assist in displaying other exhibits. Teachers should be present when the livestock entries are shown.
  9. Trucks and trailers for the removal of FFA exhibits in West Hall will be admitted to the Access Road to Pavilion Drive on Sunday, August 26, if they have the special Pavilion Drive Access Permit that is distributed when entries are made. **Drivers and occupants must pay regular admission or present exhibitor's tickets. (Gate 4 entrance places you closest to this area.)**
  10. Any premiums not used in any class (except livestock) may be transferred to any other class (except livestock) where there are more entries than premiums offered, subject to approval of the State Fair Board.
  11. The decisions of the judges are final.
  12. By decision of the KAAE Executive Committee, results of all CDE's are final and will not be changed after scoring is completed. (Both computer and manual scored contests.)
- Also, errors made by FFA members in filling out Scantron sheets are the responsibility of the FFA member and are not to be changed or corrected by the tabulation committee.
13. **Any use of a communication device during a contest will be grounds for disqualification. Communication devices must be turned off during the contest and will not be used at any time.**

**NOTE: The Tobacco Department will be accepting FFA Tobacco entries only on Tuesday, August 14 from 9:00 a.m. to 6:00 p.m.**

For 2012 the complete text of 4-H Cloverville rules and classes will be found at [www.kystatefair.org](http://www.kystatefair.org). That information is not included in this premium list. FFA advisors will find the FFA non-livestock section on that site as well. The Tobacco Department file is also available on that site for your convenience in making 4-H and FFA Tobacco entries.**
